DATES · NEWEST HARVEST

Tolga Deglet Nour

Grown in the oases of Tolga, in Algeria's Biskra region, the home of Deglet Nour. Translucent amber flesh, soft and naturally honey-sweet. From the newest harvest, picked at the end of October 2026, and available on the branch or loose.

WHY BUYERS CHOOSE THEM

On the branch

The premium way to present Deglet Nour.

100% natural

No preservatives, rich in fibre.

Gift-ready

Boxed for Christmas and Ramadan.

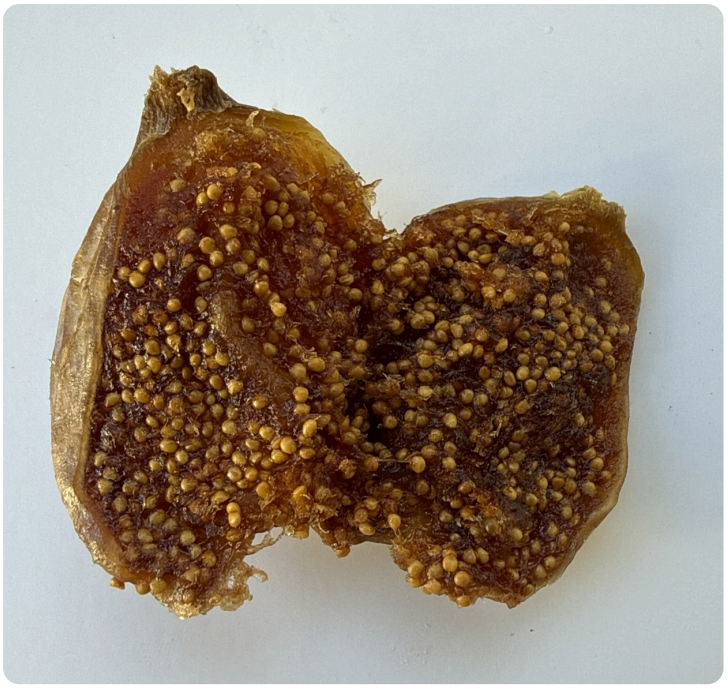

PACK SIZES

- 1 kg gift box
- 500 g
- 250 g
- Other sizes on request

DRIED FIGS · NEWEST HARVEST

Beni Maouche figs

From the hills of Beni Maouche in Kabylie, the region behind Algeria's best-known dried figs. Sun-dried, soft and full of seeds, with a deep honey flavour. Qualité Extra, from the newest harvest, picked at the end of October 2026.

Qualité Extra

Top grade, 100% natural.

Vacuum-sealed

Trays keep the figs soft.

Long shelf life

Best before September 2028.

PACK SIZES

- 1 kg vacuum tray
- 500 g
- 250 g
- Other sizes on request
